- An entrepreneurial mindset with outstanding organizational and leadership skills.
- Analytical abilities and problem-solving skills.
- Excellent communication and public speaking skills.

ABOUT

I have been entrenched for 24 years in the Wireline OSP/ISP and Wireless Industry, starting from general laborer to senior executive level. Over that time, I have worked with and for some amazing organization, and have been blessed with leading several companies from start up to successful acquisition. I look forward to developing relationships in which we can provide our services to benefit our business partners and clients.
